

April Newsletter and End of the Year Program

We are coming down to the last five weeks of school for the year. Tuition is due on the 15th of April. This is the last tuition for the year. You will not owe in May. Please make sure that your account with us is up to date and paid in full by April 15th.

We will be going to the Ward Farm in Delta this month. Elley Ward is a classmate and is very excited to share her farm and animals with her classmates. We still could use some drivers for this field trip. Please see attached field trip form for details.

Now that the weather is warmer we will be trying to get outside to play on the playground. Please make sure that your child wears appropriate shoes and has some form of jacket or sweater if it is cool. Flip flops and sandals do not work well in the stones on playground.

On May 6th we will have a Graduation Program . The program will be held in the evening at 6:30pm. The children may invite as many guest as they wish. After the program we will be celebrating with an "Ice Cream Sundae Reception." I will be sending more information home about this activity very soon.

We will be going to Reighard Park on May 8th. We will spend the morning in the park. Each child will need to pack a lunch and drink for this park day. We will also need a couple of parents to help us out on this day. If it rains or park is too muddy we will have class at the preschool and rain date will be on May 10th which is also our last day of classes for the year. We ask that you drop off your child at 9:30 and class will end at 11:30am. Reighard Park is located on E. Oak Street near the old swimming pool bathhouse.

May Activities:

Letters:	Letter and X-x, Y-y, Z-z and their phonetic sounds and review all letters.
Science:	April Showers Bring May Flowers!
